

**FOR COMPLETE SOLUTIONS OF
CHEMICALS & PETROCHEMICALS PROJECTS
& MAINTENANCE PLANTS**

ABOUT US

TECHNO FAB ENGINEERS is based at Dahej (SEZ) involved in contracting and annual maintenance contracts. Techno Fab was established in early 2008 by Mr. Niraj Patel with the vision of creating an engineering contracting company for maintenance, operation and quality works dedicated to the esteemed customers trust and reliability.

We have been successfully undertaking many projects since its inception, and set a high standard of competence akin to other major industrial players. Our core values are:-

- Performance,
- Passion,
- Integrity,
- Innovation,
- Team work,
- Humility and Respect.

WHAT MAKES US SPECIAL

What makes **TECHNO FAB ENGINEERS** different from other established general contracting companies is that we are always fresh with new ideas backed by a team of professionals highly dedicated to excellence, thereby making our clients satisfied.

QUALITY POLICY STATEMENT

Techno Fab Engineers is Committed to Customer satisfaction and loyalty. Our Endeavour is to reduce cost through effective and innovative use of resources. Organizational capabilities will be continually improved to retain competitive advantage by aligning our processes. Build strong business relationship with our customers and service providers. Our customers will experience professional competence and high level of service in all our delivers.

- To Commit & Satisfy to customers on time.
- To monitor and continuously improve our business, services Organization and employee performance.
- To meet all requirements on health, safety and environment as applicable to our service.

To achieve this, our Overall objectives are

- To always deliver value for money to our customers.
- To always make timely delivery to our customers.
- Constantly improve systems and process at all disciplines.
- Maintain and upgrade Resources at all disciplines.
- Imparting training to workmen and enhancing teamwork.

We have established an efficient and effective quality management System, which will meet the requirements and also provide for adequate resources, other infrastructure and Communication facilities.

Niraj Patel

Proprietor

July 2021 (Rev 01)

OUR MISSION

Techno Fab mission is to provide our customers with a single source solutions for all type of tanks, Structural works and corrosion protections.

Our goal is to safely provide cost effective customized solutions of the highest quality and on time. All of our services are delivered with compliance and with health, safety and environmental regulations.

We are your single source of complete solutions equipments & Piping.

OUR VISION

To deliver highly reliable and quality engineering solutions with safety as paramount.

OUR ACHIEVEMENT

HEALTH AND SAFETY POLICY STATEMENT

Our Goal : "Let no person be the victim of an accident."

Techno Fab Engineers is Committed to preventing the accidental loss of any of its resource, Including employees and physical assets.

- Committed to protecting the health and safety of everybody involved with our activity, the people who came into contact with our activities and the Physical and Natural Environment in which we work.
- We aspire to high standards of practice through our process of continuous improvement and adoption of international codes and standards where practicable. We shall enforce controls to protect all persons involved in order to prevent pollution and protect biodiversity in accordance with the requirements of our health, safety and environmental laws and regulations.
- Provide health, safety and environmental training to our employees and actively promote awareness of health, safety and environmental issues.

Niraj Patel

Proprietor

July 2021 (Rev 01)

OUR WORK FORCE

We have a well experienced and trained and qualified Engineers and skilled personnel in the field of fabrication, erection and testing. All of them are well experienced in their fields. We also have a good administrative system.

KEY PERSONALS

MR. NIRAJ PATEL	: MANAGING DIRECTOR.
MR. BHANUPRASAD NAGAR	: GENERAL MANAGER
MR. KETAN DESAI	: HR MANAGER
MR. MANAB BISWAS	: PROJECT MANAGER (M)
MR. INDOO RANA	: MANAGER PROJECT CO-ORDINATOR
MR. IMRAN BADGUJAR	: PROJECT MANAGER (C)
MR. MEHUL VAIRAGI	: PROJECT MANAGER (M)
MR. SERAJ AHMED	: STRUCTURAL ENGINEER
MR. SAGAR YADAV	: HSE OFFICER
MR. NIKHIL G. MISTRY	: PLANNING ENGINEER
MR. JAYENDRASINGH RANA	: MAINTENANCE HEAD

OUR WORK FORCE

SITE ENGINEERS	: 32 NOS.	ARC WELDER	: 38 NOS.

OUR PERSONAL SAFETY COMMITMENTS

We accept the responsibility to comply with Client's policies & procedures that have been established for our health & safety, as well as for our teams

We commit to support & assist in the development of Client's safety culture, by having a positive and proactive attitude toward the workplace safety. We actively suggest improvements in the way we work to identify and eliminate the workplace hazards

We commit to look out for safety of our teams, We will exercise our STOP WORK AUTHORITY and help find a safer way to perform the job.

We will make sure all levels of supervision with supervisor.

Our safety attitudes off the job is as important as on the job.

WORKING WITH OUR CLIENTS MEANS WORKING SAFELY

HOUSE KEEPING AT SITE OFFICE AND CONSTRUCTION WORK AREA

- ◆ Techno maintains good house keeping throughout the job both at site office area and Construction work area.
- ◆ All the unwanted materials and excess debris will be removed from time to time to ensure that the area is neat and clean and in safe condition and to the satisfaction of IOCL / tkIS
- ◆ Mass house keeping done on weekly basis
- ◆ Good house keeping means cleaning your worries away
- ◆ Good house keeping makes a lot of difference
- ◆ Good house keeping prevents accidents

PERSONEL PROTECTIVE EQUIPMENT

- ◆ Protective Helmet
- ◆ Ear Plugs
- ◆ Vis Clothes
- ◆ Safety Gloves
- ◆ Protective Boots
- ◆ Dust Mask
- ◆ Eye Wear
